BULBS OF QUALITY

Bulbs Incorporated, New York, N.Y.

BETTER QUALITY BULBS WILL
YIELD MORE BEAUTY IN THE
GARDEN FOR A LONGER TIME

TRADE MARK
REGISTERED

Bulbs

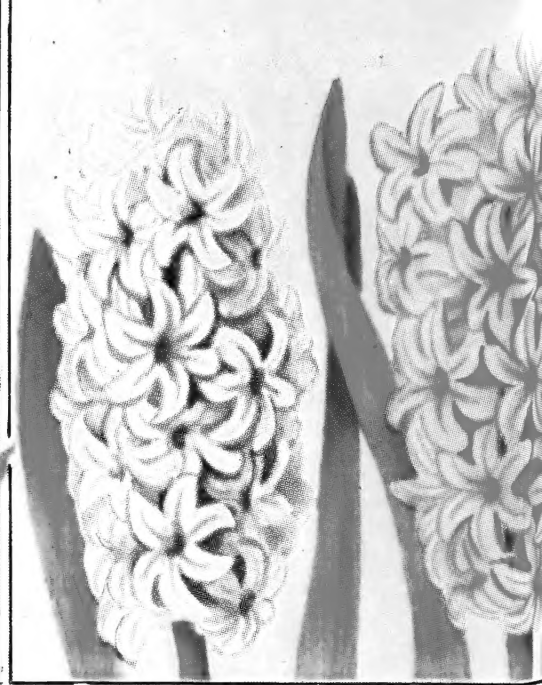

INCORPORATED

To avoid the confusion of long lists of name varieties, this bulletin is purposely confined to bulbs of high quality in all the best colors.

Beauty of form and color and dependable sturdy growth in American gardens are the qualities we guarantee in all bulbs we sell.

CROCUS

HYACINTH

TULIP

The modern tulip is a result of hundreds of years of expert cultivation, dating back to the 16th century. For exquisite color and graceful form the tulip everywhere is the most popular of spring flowers. Approximate heights are from 26" to 30". All tulip bulbs listed are Darwin extra top size.
